CAUSEWAY ISLES NEIGHBORHOOD ASSOCIATION 2022 DUES

Please remember to pay your upcoming annual dues for our neighborhood. January is right around the corner, dues are due and appreciated. The form is available on page 23. From this money we are able to pay for the following:

- Beautification projects such as entry and median Island landscaping. This is professionally done by Mr. Nguyen which includes planting and maintenance of palm trees and shrubs, weeding, fertilizing and trimming.
- New custom stop signs and miscellaneous signs are at our cost.
- Our association gives us political clout for maintaining our streets and utilities.
- The city of St. Petersburg has a grant program for neighborhood associations. We take advantage of this \$500 grant every year to help pay for social functions, to encourage camaraderie and neighborhood interaction.

TOYS FOR TOTS

This year Causeway Isles became a Toys for Tots drop off site. Neighbors had the ability to drop off toys until 12/13. The toys were collected at 7840 3rd Avenue South and delivered to the Toys for Tots warehouse in Largo in time for Christmas. Thanks to all the neighbors that have dropped off toys, you bring cheer to boys and girls all over Pinellas County.

SUPPORT OUR NEIGHBORHOOD Causeway Isles Neighborhood wants your help. We need help with the distribution of newsletters, flyers, and doorhangers. Party helpers are always appreciated and it's fun! It's a great way to meet your neighbors and keep Causeway Isles the best place to live in St. Petersburg. Contact a Board member to volunteer - see page 24. We have an opening on our Board for an Advertising Chairman.

PRESIDENT'S MESSAGE

Captain Bruce

Winter is here and its a balmy 83 degrees!

Another year is in the books as we turn the page on 2021 and open a new chapter in 2022. How exciting to know that we live in such a wonderful state, city and neighborhood. Folks from “out of state” are envious of our weather or our year round beauty but I count myself as truly fortunate to live in Causeway Isles with such great neighbors all around. It’s the people that make the difference and we are so very blessed to have such wonderful neighbors. Please take some time to get outside and meet all the new neighbors that have moved here in the heat of the summer!

This past fall our Social Committee worked very hard to creat a fall social like none other! It was the Causeway Isles Summer Olympics which was a play on the Summer Olympics that were held this past summer. Many games were set up as well as a DJ who kept the tunes playing all day long. The highlight was the ice-cream truck that was a nice break from the heat. Many metals were won and many prizes were donated and it seemed many new friendships were formed.

In 2022 your board is hoping to continue to focus on some major initiatives to the community, namely:

- * Neighborhood beautification
- * Power lines being buried and removing power poles
- * Natural Gas lines being run down each street
- * Traffic calming on 79th
- * Sidewalk program on 79th St.
- * Crossing walk across Central Ave.

We are at different points in various items and if you are passionate about any of the above items perhaps you would like to reach out and help our small team with these items. The board is learning more information and would love to have your participation. Let us know if you would be interested in helping with any of these ideas that we are investigating.

Lastly, when you chose vendors this next year please keep in mind that this publication is paid for with funds we receive from the advertising partners who pay for the ad’s. If you would be so kind as to consider using our sponsors and advertisers I'm sure that would go quite far in their continuing to support our neighborhood publication. From restaurants to auto care or hardware stores to hotels please first see how our sponsors can help you. Many of them live in Causeway Isles so you are also helping a neighbor!

To greater success,
Capt. Bruce Erbeck
President, Causeway Isles Neighborhood Association

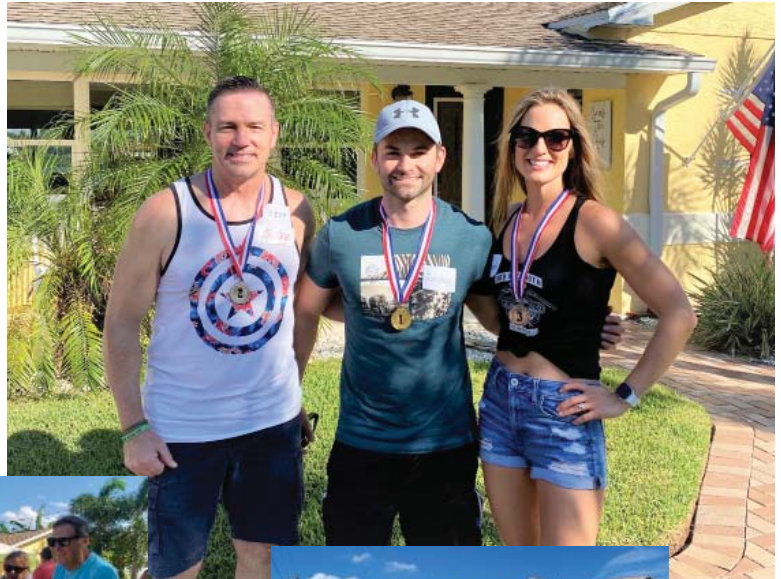

FALL SOCIAL IN THE NEIGHBORHOOD

Causeway Isles Olympics

Who could say no to free ice cream! Tikiz was a big hit at our Fall Social, also available were other cold drinks and snacks. Our DJ's, Debbie and Tito played everyone's favorite music, some line dancing even broke out. The shade from the trees on the circle was perfect for playing the modified Olympic games, including: Golf, Discus, Shotput, Ping PONG, and Gymnastics. The 3 big winners were Jordan Fuller, Jeff Gilbert, and Sarah Hunsicker. These star athletes got their pick from many wonderful prizes as did many lucky raffle winners! Everyone had a great time meeting our many new neighbors and catching up with old neighbors. What a great gathering and community this is!

We would like to thank all the many volunteers that made this event possible, Hooters for contributing so many great prizes, and Captain Bills Restaurant, The Floridian Cuban sandwiches, and The Wheelhouse Restaurant for their generous restaurant gift cards. Please frequent these restaurants as they are our neighbors and Covid has created tough times.

CENTRAL AVENUE IMPROVEMENTS

Causeway Drainage Project is Underway

Construction along our section of the Treasure Island Causeway has begun. It is expected to last approximately seven months, completion scheduled for May 2022. Keystone Excavators were awarded the contract and are doing the installation of stormwater infrastructure and rehabilitation of the roadway. Work in the swale and shoulder areas including material staging and a safety buffer will cause lane closures during this process. The majority of the work will be done during normal work hours to minimize disturbance to neighboring residents. No full road closures are planned.

The project also includes pedestrian improvements, focused on 79th Street. Curb ramps will be installed, crosswalks will be re-stripped, and rapid flashing beacons will be installed at the intersection prior to the east bridge.

New landscaping will be added, including year-round colorful groups of Florida friendly plants requiring less irrigation, chemicals, and maintenance. When this median landscaping proposal goes out to bid, the city will also request quotes to plant palm trees in the shoulder areas. They realize this won't hide the fences but may distract them visually. No bushes or major vegetation can be planted here due to the drainage features.

Finally, the lighting will be changed to match the decorative light poles as seen on the west side of the bascule bridge. These lights will have their power underground, getting rid of unsightly wires.

We should all be thrilled this work is finally getting accomplished!

NEIGHBORHOOD WATCH

Kevin Spooner

Greetings again from Causeway Blvd South.

Bonnie and I continue to be in awe with how wonderful this neighborhood is. It seems as if we make a new friend weekly as we walk through the neighborhood and meet our new and interesting neighbors.

Last spring, I wrote in the newsletter that if folks followed the three tenants of neighborhood security (see below) that our neighborhood would see a lowering of criminal activity. Well, it worked. Car break ins and thefts went down significantly as per the SPPD. Congrats on helping keep our hood safe. However, car thefts and break ins are a cyclical event that tends to move from neighborhood to neighborhood in Saint Petersburg, so as a reminder in order to keep lowering criminal activity please follow the tenants below.

Use the following steps as a guide to help ensure your family and your property stays crime free.

1. Present yourself as a hard target.
 - a. Lock your homes and your vehicles, always, but especially at night.
 - b. Remove valet keys from your console when not actively using them. Many people do not realize that they have valet keys. They are generally stored in the glove box and may be in your owner's manual. These keys will not open your vehicle door but they will start your car, thus refer to step 1.
 - c. Use motion detection lights that span the range of your yard to the street.
 - d. Mount inexpensive security cameras that cover your entrances as well as your vehicles. (I will help you set these up for free, you buy them, I'll set them up)
 - e. Mount these cameras in an overt manner so they can be seen by prospecting criminals.
 - f. Monitor your cameras and report any suspicious activity to the police.
2. Be a neighbor. Monitor your neighbor's property while they are away on vacation or out of town. Download the Nextdoor Application. This app will help inform you of criminal and dangerous activities in ours and surrounding neighborhoods, allowing you to stay one step ahead.
3. Become a member of the Neighborhood Watch. (Again, a Shameless Plug)

If you follow these steps, Causeway Isles will be safer for it. Nothing will completely stop criminal activity, but with your help, we can minimize it. I want to have at least one neighborhood watch member on every street both east and west of 79th street. I will run quarterly meetings at my home and provide food and beverages. If you are interested in becoming a member, please reach out to me at kspooner860@gmail.com.

Holiday Book Drive

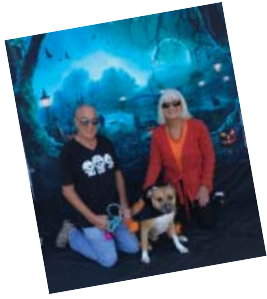

This will be the third time Island Time Readers has collected books for the Carter Woodson Museum of Florida. Carter Woodson was a black activist at the beginning of the 20th Century. His time frame mirrored the hateful Jim Crow Laws which sought to keep African American citizens from enjoying true equality. The museum has a Kitchen Book Club. At Christmas our books become available to the Grandmothers who are raising their grandchildren to give as gifts. We provide gift bags, gift cards and tissue paper or wrapping paper. We do not wrap as the grandmothers make selections.

Our books should be diverse. They can be for any child.. The age range is Pre-school through High school.

Last year we donated 50 books and someone ...anonymous...donated 150 books so there was a total of 200. The previous year was 100 books.

We will collect donations of both books and wrapping materials at both the Nov 17 meeting and the Holiday Party, planned for Dec 15. If you can't make either of those meetings, please contact Ronnie (verhig@mac.com) or Lily Alcott (lilystravels04@yahoo.com) to arrange a drop off.

HOWL-O-WEEN PARADE

Thank you to all who came out to support the 2nd annual Howl-O-Ween doggie costume contest and parade! This year we had dogs of all sizes competing, including 2 of the cutest teacup Maltese puppies, but they were all winners in this celebration.

Officers Vasquez, Shone and Herring of the St. Petersburg K-9 unit did a demonstration of how perfectly trained these dogs are. The dogs are a cross breed of German Shepherd and Malinois brought from Germany! These dogs are smart, athletic and can focus amid any kind of distraction. I would not want to be the bad person getting stopped by a K-9 dog!

** A sad update is that Titan, the K-9 police dog in these photos was diagnosed with cancer 2 weeks ago and has passed away. This canine hero will be missed by many and an unfortunate loss for our city. A sympathy card has been sent to Officer Shone from Causeway Isles.

St. Pete Police @StPetePD · 6h
 #stpeted K9 Titan crossed the rainbow bridge after a cancer diagnosis on Monday.

Titan was a true hero.

He was shot in March 2019 while trying to apprehend a suspect. After surgery & rehab he came back to work good as new that October.

We thank him for his bravery.

DELICIOUS CHRISTMAS

Peppermint Meringues Recipe

3 large egg whites
Pinch of Salt
¾ cup sugar
¼ tsp cream of tartar
¼ tsp pure peppermint extract
Red Gel Food Coloring

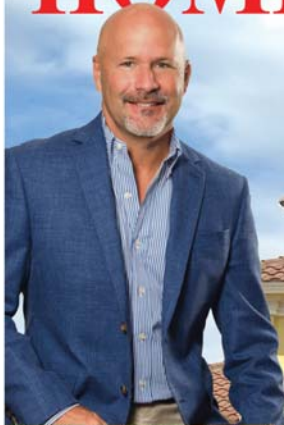

1. Preheat oven to 250°. Line 2 baking sheets with parchment paper. Beat the egg whites and salt in a large bowl with a mixer on medium-high speed until frothy. Gradually beat in the sugar and cream of tartar and beat until stiff peaks form, about 6 minutes. Add the peppermint extract and beat 2 more minutes.

2. Using a small pastry brush, paint ¼ inch wide stripes of red gel food coloring inside a piping bag fitted with a ½ inch wide tip. Fill with the meringue.
3. Pipe 2-inch spirals about 2 inches apart onto the baking sheets. Bake the meringues 1 hour, then turn off the oven and let them dry in the oven, about 2 more hours.

79TH STREET S TRAFFIC CALMING PROJECT

Mini Circles Update by Ed Gessen

Here is the latest update on the 79th Street Traffic Calming Program (aka, Mini Circles). Our City Neighborhood Traffic Manager, Mr. Michael Fredrick, tells us that the project will be looked at again in about 9 months (August/September, 2022) to resume the testing.

Per Mr. Fredrick, "We are just putting together our Fiscal Year 2022 sidewalk program. I have instructed our Engineering Department to go out to bid for construction of this location as part of other sidewalk projects, which should give us a better price than last time.

With any luck, in 9 months or so, we should have a contractor ready to construct and we can then put back the test mini Circles for a review.

I will keep you posted as the work proceeds."
